MEMORANDUM FOR: Acting Deputy Director (Administration)

25X1A SUBJECT: [REDACTED]

25X1A 1. There is submitted for your approval and authentication proposed [REDACTED] which states requirements and procedures applicable to general separation actions.

2. The proposed Regulation has been revised by the Assistant Director (Personnel) to reconcile the comments received during the process of coordination, and further coordination does not appear to be necessary.

3. Concurrences for subject proposed Regulation were obtained from:

Comptroller	Chief, General Services
General Counsel	Director of Security
Deputy Director (Intelligence)	Inspector General
Deputy Director (Plans)	Personnel Director
Chief of Logistics	

4. The Chief, Medical Staff concurred in the proposed Regulation with the exception of paragraph 5e(2). It is the position of the Medical Office in reference to disability separations that medical decisions should be binding upon the Assistant Director (Personnel) unless adjudicated by a higher authority such as the Deputy Director (Administration). This paragraph has been amended to give recognition to the Medical Office's responsibility by the addition of the words "Based upon the findings and recommendations of the Medical Office," the Assistant Director (Personnel) or his designee will determine final action to be taken. The Chief, Medical Staff, has been advised of the above revision and requested to inform this office if further changes are considered necessary prior to authentication.
